Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Monday 21 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cool and clear for most Monday night.

This Evening and Tonight:
Rain in the south easing and slowly clearing, though the far southeast may still the odd even until late in the night. Staying quite mild in south. Elsewhere dry with clear spells, and turning quite chilly.

Tuesday:
Any lingering rain in the far southeast clearing, then some sunshine for many areas and with light winds, it should feel pleasantly warm. Northwestern UK turning cloudy and damp later.

Outlook for Wednesday to Friday:
Settled much of England and Wales Wednesday. Scotland and Northern Ireland cloudier with rain at times. Rain sinks south to all areas Thursday and Friday; becoming clearer in the north.
